This team audits all tours and restaurants included in Decameron Explorer's portfolio, providing basic health & safety procedures training to our food & beverages suppliers.

COLOMBIA PANACA

Only 34 kilometers from Armenia and 56 kilometers from Pereira you will find the first agricultural-themed hotel in the world, with an infrastructure surrounded by a huge natural park that gives it its name and that involves all the philosophy of the countryside.

Together with Decameron Las Heliconias, Decameron Panaca is one of the only two #AllInclusive hotels in the eje cafetero, one of the most representative and traditional regions of the south American nation, and that became known internationally due to the quality and originality of its emblematic export product: coffee.

The hotel's design, villas surrounded by huge grassy fields and forests, harmoniously integrate all the facilities in a typical country environment, with diverse interaction and entertainment spaces for adults and children. Its strategic location also allows travelling to 20 alternatives of tourism attractions that adorn the "Cultural Coffee Landscape", declared Cultural Patrimony of Humanity by UNESCO.

Aside from the National Agricultural Cultural Park – PANACA, where the hotel's structure is located, a few kilometers away you will find the Botanical Gardens, the Mariposario (Butterfly Farm), the Quimbaya Gold Museum and the National Coffee Park, as well as the possibility to practice canopy or rafting at the La Vieja River or walk hike through the Cocora Valley, which finally makes this hotel one of the best tourist attractions.

COLOMBIA LAS HELICONIAS

Amidst one of the most representative areas of Colombia, where the softest and most delicious coffee in the world is produced, Decameron Las Heliconias will refresh your sense with the taste and smell of authentic vacations.

The hotel is one of two #AllInclusive hotels in the region, together with Decameron Panaca, integrating spaces with the unique mark of the coffee growing region with its peculiar Hacienda-type architecture and surrounded by the splendor of its fauna and flora.

Only one hour from the Pereira airport and 45 minutes from Armenia, a privileged location known as the “Cultural Coffee Landscape” – declared by Unesco as “Cultural Heritage of Humanity”- from where you will be able to see the hills adorned by coffee plants and accompanied by nice weather.

A few kilometers away you will be able to visit magical places such as the Botanical Gardens, the Mariposario, the Quimabaya Gold Museum and the National Coffee Park, as well as canyoning and rafting on the La Vieja River or hike through the Cocora Valley. This last adventure will dazzle you with the majestic Wax Palms, a group of trees that constitutes a natural monument for this nation.
