TRANSPORT INFRASTRUCTURE

A complete fleet of vehicles, boats and planes assure excellent service in all our excursions, eco-tours and transfers.

HUMAN RESOURCES

We offer a team of organizers, coordinators and professional guides with more than 10 years of experience in handling cruises and charters, who can direct tours to the most interesting places in each country, with fluency in several languages (Spanish, English, German, Italian, Portuguese, French, Russian).

HACCP HEALTH & SAFETY PROGRAM

Decameron Explorer actively participates in Health & Safety programs. A team of Health & Safety Coordinators, trained to achieve the standards and regulations on Food Safety are INCLUDED in Decameron Explorer's staff. HACCP is a food handling and operating approach that promotes food safety by identifying food hazards and applying and monitoring appropriate control measures at points, critical to safety, reducing the risk of food associated illness in guests, and thereby reducing the number of claims. This team audits all tours and restaurants included in Decameron Explorer's portfolio, providing basic health & safety procedures training to our food & beverages suppliers.
