# DECAMERON EXPLORER

Decameron Explorer stands out as a Destination Management Company with a successful history in the tourism industry in South and Central America with over 20 years of experience. Decameron Explorer is your local on-site partner to operate and supervise the successful outcome for services rendered to individuals, incentive groups, tour-operator services, conventions, V.I.P. services, charter flights, tailor-made programs, transportation services. Decameron Explorer is the direct link to the best chain of All-Inclusive Hotels and Resorts of Central and South America, Decameron Hotels. Decameron Explorer offers the best programs in each destination including excellent options in transport and tour guide services in the most convenient category and budget for each client.

At the airport in each destination, Decameron Explorer has its own-operated offices where dedicated personnel welcome the arriving passengers with special permits to enter the international dock, immigration and customs areas. Thanks to this infrastructure, Decameron Explorer, with the support of professional tour guides, can organize group baggage identification to speed up the process of distribution to hotel rooms and manage pre-registrations in order to expedite the check-in process at the hotels.

Currently Decameron Explorer has offices in Panamá, El Salvador, Ecuador, Colombia, Haiti and Peru. Among the personnel who work for Decameron Explorer there are professionals experienced in groups, incentives and conventions management, who are always available starting at the quote through to its execution.

## SERVICIOS

Among the services, Decameron Explorer (DMC) offers:

- Commercial airline reservations and sales
- Charter flight management and logistics
- Transfers of individuals and private groups
- Eco-touristic, cultural, historical, adventure, fishing and scuba diving excursions
- Roundtrip programs in Panamá (in combination with San Blas, Bocas del Toro, Darién jungle and Chiriquí

highlands), El Salvador (encompassing the Mayan World including Guatemala and Honduras), Ecuador (the breathtaking Galápagos islands, historical and colonial Cuenca, Guayaquil, Quito), Peru (in combination with Lima, Punta Sal, enchanting Cusco, magical Machu Picchu, Trujillo, Chiclayo and Chachapoyas) and Colombia (with the Caribbean in destinations such as San Andrés and Providence Islands, the unequaled and historic Cartagena, the Panaca Theme Hotel and the exotic Amazon)

## TRANSPORT INFRASTRUCTURE

A complete fleet of vehicles, boats and planes assure excellent service in all our excursions, eco-tours and transfers.

## HUMAN RESOURCES

We offer a team of organizers, coordinators and professional guides with more than 10 years of experience in handling cruises and charters, who can direct tours to the most interesting places in each country, with fluency in several languages (Spanish, English, German, Italian, Portuguese, French, Russian).

## HACCP HEALTH & SAFETY PROGRAM

Decameron Explorer actively participates in Health & Safety programs. A team of Health & Safety Coordinators trained to achieve the standards and regulations on Food Safety are INCLUDED in Decameron Explorer's staff.

HACCP is a food handling and operating approach that promotes food safety by identifying food hazards and applying and monitoring appropriate control measures at points, critical to safety, reducing the risk of food associated illness in guests, and thereby reducing the number of claims. This team audits all tours and restaurants included in Decameron Explorer's portfolio, providing basic health & safety procedures training to our food & beverages suppliers.

# PERÚ PUNTA SAL

Punta Sal is an extraordinary destination, located in the Tumbes Department, Contralmirante Villar Province, in northern Peru. Its excellent location offers year-round sun. Its warm waters contrast strikingly with deserts, forests and natural sanctuaries, thanks to its proximity to the Tropical Eastern Pacific region.

These excellent conditions assure an unforgettable experience for every taste. With Decameron Explorer you can enjoy everything from Fishing, Sailing along the Hemingway Route and Marine Life Observation to Ecological Walks, Mangroves and Adventure experiences.

## TUMBES MANGROVES NATIONAL SANCTUARY

Travesía en canoa por los esteros, donde se vivirá una experiencia inolvidable apreciando paisajes hermosos de bosques de mangle y Esteros de aguas tranquilas con observación de Biodiversidad Bilógica y Estampas costumbristas (extractor de cangrejo, conchas negras, pescadores).

Se hará una caminata en el Sendero Artificial el Oscuro, donde se puede apreciar la fijación del Mangle a través de sus raíces aéreas y escuchar sonidos de conchas negras, el trinar de las Aves y sonidos Ambientales. Conocerá los túneles de Mangle y la extracción de cangrejos.

## NOVEMBER TO MAY

# DEEP-SEA FISHING

Peru's northern coast is an exceptional zone for deep-sea fishing; along these coasts was captured the world record for fishing, a black Marlin weighing in at 1560 pounds. Here is where the cold Humboldt marine current and the warm El Niño current converge. This produces conditions unique in the world, which is why Punta Sal and its adjacent zones are a fishing lover's dream come true in an excursion which will take them in search of impressive marine species such as the striped Marlin, the black Marlin, the yellow-finned tuna, the wahoo and dorado. Accompanied by a crew with ample experience and a complete supply of fishing gear, you will enjoy a fabulous day of deep-sea fishing.

Characteristics of fishing yacht Frenesí:

29-foot Boston Whaler

2- 200 HP Mercury Optimax outboard motors

Bathroom and inside cabin

**Departure of the excursion depends on these conditions:**

**LEVEL OF DIFFICULTY:** I

**MINIMUM:** 4 pax · **MAXIMUM:** 4 pax

**INCLUDES:** Complete fishing gear: fishing rods, reels and special samples, crew with experience in fishing and navigation (Spanish-speaking), drinks.

**RECOMMENDATIONS:** Comfortable clothing and shoes, cap or hat, sun block.

The tour reserves the right not to admit any participant who doesn't fulfill these requirements or persons under the influence of alcohol or drugs (with no right to reimbursement). This type of fishing is carried out respecting the minimum sizes for catches. Sharp-beaked species such as the Marlin, sailfish and swordfish will be returned to the sea.

**DEPARTURE: 5:00 AM - RETURN: 3:00 PM**

**"Depending on weather and sea conditions this activity may be canceled.  
The visibility of marine flora and fauna is limited to natural factors."**

## MARINE LIFE

On this expedition we cross the area of greatest marine biodiversity in Peru and one of the most important in the world where we will see species such as dolphins, sea turtles, sea lions and many seabirds that inhabit this area throughout the year. You start early boarding a boat at the dock of the bodies and set sail towards the inactive oil rig. This platform has become an ecosystem where you can appreciate different types of migratory and local birds as well as sea wolves.

Finally, we return to the dock Bodies not before stopping at the exquisite cove the Ñuro, known sighting area where enjoy the sea turtles swim in the wild, which makes a sublime experience.

---

**MINIMUM:** 10 pax · **MAXIMUM:** 10 pax

**Not available in whale watching season**

**"Depending on weather and sea conditions this activity may be canceled.  
The visibility of marine flora and fauna is limited to natural factors."**

# YACHT TOUR

Only 25 kilometers south of Punta Sal, Los Orgános is a tempting alternative for those who seek greater tranquility beside a town that offers everything. Due to the warm equatorial marine current, also known as El Niño, the predominating average temperature in this tropical sea eco region is around de 24 °C, along the regions of Tumbes and north of the Piura. Our boats will take you sailing from Los Orgános to Cabo Blanco on an excursion where it's possible to sight the impressive marine fauna of Piura. Seals, groups of bottle-nosed dolphins, dozens of common dolphins, marine turtles and colorful blue-footed boobies may be part of this wonderful adventure.

What you see will depend on nature. Later we will stop in a protected bay where you can enjoy a refreshing dip in the sea. It's a memorable experience, this activity will be done for a short time.

## Departure of the excursion depends on these conditions:

**LEVEL OF DIFFICULTY:** I • **MINIMUM AGE:** 6 years

**MINIMUM:** 10 pax • **MAXIMUM:** 10 pax

**INCLUDES:** Land and sea transport, expert crew in marine and navigation fauna identification (Spanish language), hydrating drinks, life jackets, ropes and bait (optional), snorkeling equipment (optional).

**NO INCLUDES:** Due to biosafety measures, snorkeling equipment is not included, each user must purchase it (additional cost)

**RECOMMENDATIONS:** Comfortable clothing and shoes, cap or hat, sun block.

**IMPORTANT:** This excursion is not recommended for pregnant women, or persons with cardiopulmonary or back conditions or who have recently had surgery. The tour reserves the right not to admit any participant who doesn't fulfill these requirements or persons under the influence of alcohol or drugs (with no right to reimbursement).

**DEPARTURE: 7:15 AM - RETURN: 12:00 M**

**Not available in whale watching season**

**"Depending on weather and sea conditions this activity may be canceled.  
The visibility of marine flora and fauna is limited to natural factors."**

## WHALE WATCHING IN SEASON

During the months of August, September and October we'll take you to see the enormous humpback whales. These colossi reach Peru's northern coasts from Antarctic waters to reproduce and raise their whale calves. During the whale watch tour, you may see these magnificent cetaceans making spectacular leaps, swimming and diving in groups or watching their young play their first games under the watchful eye of their mothers.

This marine excursion will take us sailing from Los Orgános to Cabo Blanco in a wide run with an 85% success rate in sighting the whales. The visitors may contribute to the scientific research by taking precise photographs of the ventral side of the tail to identify the individual whales sighted. You can also observe other associated species navigating in the zone where the cold Humboldt and the warm equatorial ecosystems converge.

---

### Departure of the excursion depends on these conditions:

**LEVEL OF DIFFICULTY:** I · **MINIMUM AGE:** 6 years

**MINIMUM:** 5 pax · **MAXIMUM:** 30 pax

**INCLUDES:** Transport, water, life jackets, Spanish-speaking guide specialized in marine fauna.

**RECOMMENDATIONS:** Windbreaker jacket, towel, sun block, sunglasses, cap, plastic bags to protect personal objects.

**IMPORTANT:** This excursion is not recommended for pregnant women, or persons with cardiopulmonary or back conditions or who have recently had surgery. The tour reserves the right not to admit any participant who doesn't fulfill these requirements or persons under the influence of alcohol or drugs (with no right to reimbursement).

**DEPARTURE: 6:30 AM - RETURN: 12:00 NOON.**

**"Depending on weather and sea conditions this activity may be canceled.  
The visibility of marine flora and fauna is limited to natural factors."**

## TURTLES AND WHALE WATCHING SEASON

Humpback whales Season (*Megaptera novaeangliae*) starts from the half of July until the first week of November. Cetaceans arrive to the coast of northern Peru after traveling thousands of kilometers from the colder waters of the southern hemisphere. During these 120 days, the whales come to mate and give birth to their baby whales. In addition, the males exhibit a series jumps, tail, flapping, head and tail exposures and reproductive chants.

We began heading toward the inactive oil platform where we can see sea lions and sea birds (pelicans, boobies, cormorants and frigate birds). During our trip we will watch the whale and dolphin and manta rays. We will finish the tour in the cove the Ñuro which is known as a natural paradise where sea turtles can swim with them.

---
